OUR INSTITUTION

At 18 years of its inception, S.S Jain Subodh Girls P.G College, Sanganer stands as an exceptional provider of quality higher education on the national horizon, with the avowed aim of spreading the benefits of education to women and synchronizing tradition with modernity. It is a multi-faculty institution that aims to blend curricular and co curricular activities and provide an excellent model of what a women's college can do for women's development.

The thrust of the college is on the highly innovative and efficient management of all its resources-human and infrastructural and an endless desire to be in pace with the education and its challenges of technology, communication and media. The college combines a commitment to teaching excellence by offering Post graduate courses in Chemistry, Botany, Zoology, Mathematics, Political Science, History, Geography, EAFM and ABST. Our students have also grabbed meritorious position in the University merit list and also won gold and silver medals in sports and other activities.

Various clubs dealing in multiple topics and streams have been constituted to provide better quality and session planning and execution of the activities round the year. Opportunities for extensive sports and cultural activities along with the academic thrust create confidence and enable the students to relate and use knowledge in real life situations. Altogether it helps in inculcating a strong sense of commitment to national, social and aesthetic value.

College has also signed MOU's with various International and National organizations aiming at raising the level of higher education by attaining sustainable development and achieving higher growth rates which could be enabled through creation, transmission and dissemination of knowledge. Many faculties and students have been trained so far.

The College campus continues to evolve, but the only thing that remains unchanged is the institution's commitment to student success. As a mission-driven college, a student remains at the forefront of every decision made and we continue to find better ways to meet the needs of the young girls.

We feel very privileged and honored to acknowledge the achievements of our Institution-

Received State level Excellence Award 2021-22 (Red Ribbon Club) by Rajasthan State AIDS Control Society, held at MLS University, Udaipur, on 24th February, 2023.

Honoured Shimmer Mrs. Rajasthan, Education Partner Award, Season-2 at Birla Auditorium, Jaipur, held on 17th March 2023.

Recognized by IIFL JITO AHIMSA RUN for collaborating and participating in the world wide event held on 2nd April, 2023.

Let's Start

PRESIDENT

N.R. KOTHARI
S.S. Jain Subodh Shiksha Samiti

"When we tackle obstacles, we find hidden reserves of courage and resilience we did not know we had. And it is only when we are faced with failure do we realise that these resources were always there within us. We only need to find them and move on with our lives."

- A.P.J. Abdul Kalam

Today, education means acquisition of knowledge, skills and values which will together improve the employability of our young minds. Our earnest effort is to provide students with an education that allows them to recognize and realize their dreams and skills and to be able to ignite the passion to excel. While serving the community for a century, Subodh has achieved many pioneering milestones, laying benchmark for others to emulate. Our institution is continuously supporting women in mobilizing their potential that will lead to positive impact on society and will create multiplier effect on the generations to come. As we have seen a significant transformation of the educational landscape, we aim to provide conducive and enriching environment and resources fully dedicated to provide ample opportunities to cultivate wide exposure for practical learning and sustainability of our bright minds.

I extend a warm welcome to all young aspirants at the institution with a commitment to ensure competitive strength among students to meet the challenges of future.

HONORARY SECRETARY

"It's not just about infrastructure and knowledge, it's also about changing attitudes about women" - Michelle Obama

It gives me immense pride and pleasure to welcome you to yet another vibrant year, filled with fun and frolic, combined with skillful education and information. We at Subodh are privileged to have the opportunity to shape, mould and empower the present and future of our students and we take it very seriously. At Subodh we ensure an environment, where every child is empowered with the sense of accomplishment combined with acute and precise wisdom. At every step, we design a process that creates power in women to live a happy and respectable life in a society and access opportunities in a variety of fields such as in education, profession, lifestyle, etc., without any limitations and restrictions. It includes raising their status through education, awareness, literacy and training. It also includes the authority to take decisions. We all acknowledge the fact that when a woman makes a crucial decision, she feels empowered. With these virtues and warm wishes, we welcome you to the versatile campus of Subodh Sanganer, where we ensure that the full potential of every student is realised generation after generation. With your efforts and our resources we shall bring about a brighter tomorrow.

Principal's Message

The pursuit of better education opens up doors to a myriad of new opportunities. With this in mind, it gives me immense delight to have students hailing from various walks of life enroll with us. We would want to extend a warm welcome to everyone as they set out on this historic voyage. As an institution, we believe in inculcating strong values with a lasting impact, thus our dedicated teaching staff continuously strives to maintain synergy with incoming students. Our students proceed to conquer global opportunities at renowned organizations and attain prestigious roles. A systematically designed curriculum aims to train and equip the students with skills that would pave a way towards a better career.

As a consequence, we offer our future leaders numerous opportunities to develop the relevant skills. We promote students' active participation in not only academics but also athletics, and extracurricular activities, as well as in upholding of high standards of morals and ethics.

By sharing their knowledge and experience, acting as facilitators, and in other ways, our teachers are devoted in helping the institution grow. Representing a firm belief in constructing creativity and polishing wit, over the years our endeavour has consistently been to create well-rounded professionals. Teaching the importance of building excellent communication skills and fostering relations amongst peers, we aspire and excel in curating great alumni networks. Having shaped a plethora of young minds, we are certain that our institution would continue to produce students that relentlessly prosper and leave their mark around the world.

Dr. Rita Jain

Our MoU with

Memorandum of understanding done by college have allowed us to achieve the trust and maintain credibility of the institution. It has opened window of opportunities for the students by providing them global exposure during the course of education. Such collaborations are very important for any institution from the perspective of gaining the reputation, rankings, and accreditations. Partnering with Companies and Institutions has facilitated our institute to conduct networking events which are extremely important for student's career prospects.

Subodh has now become a part of strengthening India's four important visions on Skill India, Digital India, Startup India and Make in India with the signing of MOU with FORTI (Federation of Rajasthan Trade & Industry)
